The itinerary, accommodations and arrangements are subject to change at the discretion of AABGU and the tour operators.

Baggage

Baggage is at your "own risk" throughout the tour.

Insurance

Insurance for baggage, trip cancellation or medical emergency is not included in the tour package. TunisUSA, our tour operator in Tunisia recommends Access America for trip cancellation/medical insurance. Participants are welcome to use any insurance provider they prefer. Information on Access America's travel policies can be found here: <https://www.accessamerica.com/AA/SelectAPlan.aspx>

Documentation and Health

Tunisia: A passport valid for at least six months beyond your return date to the U.S. is required. For U.S. passport holders, a visa is not necessary. For further information concerning entry/exit requirements for Tunisia, you may contact the Embassy of Tunisia at 202-862-1850. No inoculations are required to travel to Tunisia, but the CDC does recommend vaccines for certain vaccine-preventable diseases and generally recommends that those traveling abroad see a health-care provider who specializes in travel medicine. If you have a medical condition, you should also share your travel plans with any doctors you are currently seeing for other medical reasons. CDC traveler health information can be found here: <http://wwwn.cdc.gov/travel/>

Israel: A passport valid for at least six months beyond your return date to the U.S. is required. There is no visa requirement for U.S. citizens to travel to Israel. Other nationals should contact the appropriate consulate for regulations. No inoculations are required to travel to Israel.

Security in Tunisia

TunisUSA has advised AABGU that security in Tunisia is always at a very high level, particularly during the weeks buffering the *Lag B'Omer* festival, when literally thousands of Jewish visitors come to Tunisia. As part of TunisUSA's security procedures, they file the final itinerary with Ministry of Tourism officials and security authorities. The tour guide's phone number is provided and he/she regularly receives calls verifying places from which the group is departing and ultimately visiting. All participant passport information is filed with security officials, as well.

Responsibility

TunisUSA, Eshet Incoming and AABGU are acting solely as intermediary agents for the travel suppliers providing transportation, hotel and/or all other related travel services being purchased ("Third Party Providers"). TunisUSA, Eshet Incoming and AABGU shall not be liable or responsible for any injury, illness, loss or damage to any person or property or additional expense involved with travel resulting from acts of God, detention, annoyance, delays, quarantine, strikes, thefts, pilferage, force majeure, diseases, mechanical difficulties, failure of any means of transportation to arrive or depart as scheduled, civil disturbances, terrorism, government restrictions or regulations, and discrepancies or changes in transportation or hotel services or any other matter or event which TunisUSA, Eshet Incoming and AABGU have no control; or (ii) for any state of quality, hygiene, political stability, cuisine, sanitation facilities, cleanliness, telecommunications facilities, methods of conducting business, emergency medical evacuation, treatment or medical services existing at any travel destination. By embarking upon his/her travel, the passenger voluntarily assumes all risks involved with such travel, whether expected or unexpected. The issuance and acceptance of any exchange orders or tickets shall constitute consent by the purchaser and/or passenger to the foregoing conditions. All exchange orders and tickets are also subject to such additional terms and conditions as the Third Party Providers may impose. Finally, TunisUSA, Eshet Incoming and AABGU shall not be liable for any funds received from the purchaser and/or passenger paid to any Third Party Provider which subsequently becomes insolvent or files any bankruptcy or similar proceedings or fails to deliver services.

SPECIAL NOTE: Delays, cancellations and overbooking by participating Third Party Providers may occur on air flights and land reservations. While TunisUSA, Eshet Incoming and AABGU will do their utmost to avoid these inconveniences, they shall not be liable or responsible for the acts or omissions of such Third Party Providers.

TunisUSA, Eshet Incoming and AABGU reserve the right (i) to cancel any tour, substitute hotels and make such alterations in tour itineraries as may be necessary or desirable for the convenience of the parties and the proper carrying out of the tour(s); and (ii) to decline to accept or retain any person as a member of any tour. All additional cost, if necessary, shall be the passenger's responsibility. In addition, TunisUSA, Eshet Incoming and AABGU may cancel any tour prior to departure. In such a case, a full refund of all payments will constitute full settlement with the passenger and/or purchaser of the tour. All disputes arising under, in connection with, or incident to this agreement shall be litigated, if at all, in and before a court located in the City of New York, New York, U.S.A., and in the courts of no other city, state or country. Retention of tickets, reservations or bookings by the purchaser and/or passenger after issuance shall constitute consent to the above terms, as well as an agreement on his/her part to convey the contents hereto to his/her travel companions or group members.

Rates

Tour costs are based upon current airfares, tariffs and currency values. While we do everything possible to maintain the listed prices, they are subject to change.
